

THE DOVETAIL PROJECT

Joining the body of Christ

A DAVID'S TABLE TRUST INITIATIVE

A charity working with adults with special needs, in Trowbridge

Could you give us 20 minutes?

The project is currently recruiting volunteers to share their interests, talents or gifts with our Dovetailers at our sessions.

We have officially launched our project! This means we can begin planning when our sessions will begin; identify, with purpose, those who would benefit from the project the most; and begin recruiting volunteers.

You may have noticed we've been a little quiet over the last few weeks, since Easter. Our Project Development Coordinator took leave to have an operation and is thankful to be back on her feet, ready to start the next phase of our project's planning.

What does this involve?

- We hope to meet with more people who could share their interests with our Dovetailers by visiting local churches and groups.
- Recruit voluntary session assistants, to help with our sessions.
- We hope to continue building relationships with the special needs community in Trowbridge and those we hope will benefit from becoming Dovetailers.
- Finish laying all the groundwork, in regards to policies, training and planning.
- Solidify a date to begin our sessions.
- Spread awareness of the project.

The plan

By Els O'Gorman, our Project Development Coordinator

"Is there no one still alive from the house of Saul to whom I can show God's kindness?"... So Mephibosheth ate at David's table like one of the king's sons.

Combating loneliness

The world can be a happy place full of laughter and meaning but for some of us and I include myself having a disability can leave us isolated and alone.

Zac Hallan (Scope Online Community, 2018)

Our hope is that The Dovetail Project will provide those within our community, who feel particularly isolated, with a 'happy place full of laughter and meaning'. We hope the confidence, knowledge, love and fellowship they receive, will overflow outside their time at the project, with a new found confidence to find and try new opportunities, build lasting friendships, learn about how loved and meaningful their life is, in Christ and learn to explore His plan and purpose for them.

Not only do we pray this for our Dovetailers, but those in our community with gifts, talents or interests, who would benefit from coming and sharing them with those who attend our sessions.

In a world full of people, we don't want anyone to feel alone. So come, share, receive; be blessed.

We are currently recruiting

Voluntary Session Assistants

Do you have a passion for helping people?
 Are you enthusiastic and upbeat?
 Could you give 3 hours a week/bi-weekly to join our brilliant team?
 Could you help us fulfill our core aims?

Working hours would be from 9.30am-12.30pm, on a weekday.
 Most of our sessions will take place at our HQ, at 'Lizzies', Elizabeth Lodge, however, some activities will be held off-site.

You do not have to have any previous working experience with adults with special needs, although this would be great, but more importantly an open heart and a willingness to learn.

ABILITY SUNDAY

Two of our Trustees, our Project Development Coordinator (Els) and Friends of David's Table Trust, had a fantastic time celebrating what we're great at, during the Ability Sunday service, with Lighthouse, at Bethesda Baptist Church, on the 7th April.

Els got a chance to share about The Dovetail Project with the congregation and we had a great response to our call for people to share their interests and passions at our sessions. Thank you!
